**X. SEPS IMPORTER SHORTCUTS**

The following shortcuts are used in the Room Criteria Statements in the Audiology and Speech-Language Pathology (ASLP) Functional Areas. These shortcuts are used during upload of this document into the Space and Equipment Planning System (SEPS) software during implementation of the space planning parameters contained herewith to allow for mathematical or logical calculations to be performed. Input Data Statements (IDSs), Rooms or a partial calculation formula can have a shortcut.
